3rd World Congress of Optometry

October 23rd-28th, 2019 in Orlando, Florida, USA

- Presented in partnership with the American Academy of Optometry (AAO)
- Global platform where practitioners, students, researchers and educators share expertise and engage in the development of optometry's future
- First-class continuing education with discussions and lectures led by distinguished speakers and world-renowned optometrists
- Showcases the latest advances in optometry – vision sciences, research, optics and contact lens technology.
- The Congress will have two principal tracks: Scientific and Educator
